About Indo-Malaysia Student Immersion Program

The Indo-Malaysia Student Immersion Program is an international exposure initiative designed exclusively for students to experience Malaysia's education, innovation, and industry ecosystem. This immersive 4-day program offers participants the opportunity to visit leading universities, innovation centers, industries, and cultural landmarks while interacting with academicians, professionals, and young innovators.

The program aims to broaden students' global perspective, enhance their practical learning, develop cross-cultural understanding, and prepare them for future academic, career, and entrepreneurial opportunities. It is a unique platform to gain international exposure, build global networks, and develop the skills needed to succeed in today's interconnected world.

About Gokboru Tech

Founded in 2022, Gokboru Tech Pvt. Ltd. is an EdTech and HRTech company with operations in India and Dubai (UAE), dedicated to empowering students, startups, entrepreneurs, and educational institutions through global learning, innovation, and industry collaboration. By bridging the gap between academia and industry, the company creates opportunities that enhance employability, entrepreneurial thinking, and global competencies.

Gokboru Tech designs and delivers International Student Immersion Programs, Entrepreneurship Development Programs, Startup Ecosystem Visits, Industry Exposure Programs, Skill Development Initiatives, International Placements, and University-Industry Collaboration Projects. Through these initiatives, participants gain practical industry exposure, international networking opportunities, cross-cultural learning, and first-hand experience of global innovation ecosystems.

With a growing network of universities, startups, innovation hubs, corporations, and industry partners across India, the UAE, Malaysia, Singapore, and other international markets, Gokboru Tech is committed to developing globally competent professionals, future entrepreneurs, and innovative leaders. Its mission is to empower the next generation of innovators with the vision to "Think. Create. Build. Bharat."

Additional Details

Payment Plan

- **Total Program Fee: ₹90,000 (Negotiable)**
- **1st Installment: ₹45,000 (50%) at the time of registration**
- **2nd Installment: ₹45,000 (50%) to be paid 30 days before the departure date**

Travel Documents: Once the required payment (1st Instalment) is completed, participants will receive their flight tickets, visa, and travel documents within 5–7 working days.

Includes:

- ✓ Airfare
- ✓ 3 Nights Hotel Stay (Twin Sharing)
- ✓ Daily Breakfast, Lunch & Dinner
- ✓ All Transfers in Malaysia
- ✓ All Visits, Event Tickets, and Activities
- ✓ Workshop & Session
- ✓ Participation Certificate (2 Certificates)
- ✓ Full Program Coordination & On-Ground Assistance

Excludes:

- ✗ Visa
- ✗ Travel insurance
- ✗ Personal expenses, optional sightseeing, or additional meals

Our team will arrange the visa process on your behalf, so you don't need to worry about it at all. Everything will be taken care of smoothly by us.

Faculty Sponsorship

Each batch consists of **40–45 students**. For every batch, two faculty members (**one male and one female**) are eligible to accompany the students. Their participation is fully sponsored by Gokboru Tech, subject to the batch meeting the required minimum number of participants.

Additional Support

University & Industry Meetings: We will arrange meetings in advance for institutions interested in signing MoUs with Malaysian universities or industry partners.

Forex & Currency Exchange: Assistance will be provided for foreign currency exchange before departure.

Passport Assistance: Support and guidance will be provided to students who need to apply for a new passport.

On-Ground Assistance: Our local team in Malaysia will provide on-ground support throughout the program to ensure a smooth and hassle-free experience.

University, Workshop & Industry Visit

Recommended Universities

The university visit will be arranged based on availability and mutual approval. Our preferred partner universities include:

- Asia Pacific University of Technology & Innovation (APU)
- Taylor's University
- Sunway University
- UCSI University
- Management and Science University (MSU)
- Universiti Putra Malaysia (UPM)

We prioritize collaborations with these universities to provide students with the best academic and international exposure experience.

Workshop & Academic Sessions

The workshop topics will be customized according to the students' academic background (Engineering, Management, Commerce, Healthcare, IT, Design, etc.). After understanding the participants' profile, Gokboru Tech will share 5 proposed workshop topics, from which the host university can select 2 topics for the final sessions.

Industry Visits

Industry visits will be planned based on the students' academic discipline and learning objectives. Institutions may also recommend specific companies or request meetings for MoUs, academic collaborations, or industry partnerships, and we will coordinate these in advance.

Possible industry sectors in Malaysia include:

- Manufacturing & Smart Manufacturing
- Electronics & Semiconductor
- Automotive
- Information Technology & Artificial Intelligence
- FinTech & Digital Banking
- Logistics & Supply Chain
- Healthcare & Medical Technology
- Food Processing & FMCG
- Tourism & Hospitality
- Renewable Energy & Sustainability
- Biotechnology & Pharmaceuticals
- Startups, Incubation Centres & Innovation Hubs

Terms, Refund & Code of Conduct

Refund Policy

- If a participant's visa is rejected or cancelled by Malaysia authorities, a 100% refund of the program fee will be provided (excluding any third-party visa processing charges, if applicable).
- Refund will be processed within 30 working days after official confirmation.

Discipline & Conduct Rules

- All participants are expected to maintain professional and respectful behavior during the entire trip.
- Any indiscipline, misconduct, or violation of hotel/event policies may result in immediate cancellation of participation without refund.
- Participants must follow the instructions given by Gokboru Tech coordinators at all times.

⚠ Malaysia Law & Responsibility Clause

- All participants are required to comply with Malaysian laws and regulations throughout the visit.
- Any violation of Malaysia's legal, cultural, or disciplinary norms (including public behavior, photography, or restricted areas) will be handled by local authorities.
- Gokboru Tech will not be responsible for any legal or disciplinary action taken by Malaysia authorities due to individual misconduct.
